Help

All contracting data entry will be consolidated in the Contracting Information section regardless of user role and contract nomination status.

NOTE: Contracting data will no longer be entered in the Contracting Officer section.

NOTE: The Contract Nomination Routing section (Dept Admins and DPAP Admins) will be removed from the COR Nomination process page. The ability to update Contracting Officers and Contract Specialists will be consolidated in the Contracting Information section.

For ECP0784:

When the COR updates the supervisor on their profile, all associated contract nominations for the COR will be updated to reflect the new supervisor unless the contract nomination is in Active, Inactive, Terminated or Awaiting PCO Review status.

The COR displays contract nominations in the Contract List Status page. For demo purposes, two contract nominations have Sammy Super as the Supervisor/Commander.
