

Welcome to Wide Area Workflow!

Please start by selecting one of the links from the menu above.

WARNING!

- If using a word processor program (i.e. Microsoft Word, WordPerfect, Microsoft WordPad, Microsoft Write, etc.) to create FTP files, EDI files, or to cut-and-paste text field data into the WAWF Web application, then the text must first be cut/copied out of the word processor program and pasted into Microsoft Notepad, or another ASCII text editor and saved in the text editor, before sending the data to WAWF. This converts the text to text-only format and removes control characters that contain formatting information.
- Please DO NOT use the browser BACK BUTTON within the WAWF application.
- The use of the browser's BACK BUTTON is not supported within the WAWF application when completing electronic forms.
- Use of this button will cause the loss of data not yet saved to the server.
- Where they exist, use the PREVIOUS or RETURN buttons to return to a previous page within the WAWF application.
- In data capture and when reviewing documents, you may move from tab to tab to work with the various information categories, e.g., Document Header, Addresses, Comments, Line Items, etc.

This presentation will demonstrate a Government Receiver receiving a Property Transfer Document created by a Property Shipper.

This presentation covers the following:

- 1) Review and enter information on the Property Transfer Receipt pages
- 2) Take one of three actions: receipt, partial receipt, or rejection of the shipment
- 3) Digitally sign and submit the Receipt.

This presentation contains audio narrative. Please adjust your volume accordingly.

 Government Property Shipper
 Government Property Receiver
 Property Ship From
 Property Ship To

'Received' Action:

- 1) Use this option if all the ULLs are marked as either Received or Rejected. The total Quantity Shipped is accounted for by adding Quantity Received and Quantity Rejected for all Line Items.
- 2) Signature Date and Signature are required.
- 3) Comments on the Misc. Info page are optional for this action.
- 4) Document moves on to the Receiver's History Folder after this action.
